

Lindsey Book Lunch Bunch Club

Lindsey Book Lunch Bunch Club is a fun way to encourage your student to become independent readers and thinkers. The session will last six weeks during your students regularly scheduled lunch time. The club will meet from April 12th to May 17th once a week. Each week students will be given a reading assignment from the selected book to read before they arrive at lunchtime. Students meet with their lunch and report to the assigned room where a parent volunteer facilitator will lead the group in a discussion to deepen understanding and critical thinking skills. This program is open to first through fifth grades. First graders will not be given assignments to read before arrival, we will read and discuss a book during Club time. Please fill out the sheet below and return it to the office by March 20th. Be sure to include an email address, as that is how we will contact you regarding the week's reading assignment and other important updates. Also, please indicate on the form below if you would be interested in being a volunteer facilitator. This is a fun program and is for all students who love to read!
